

### Endorsement of Allen Mashburn

Allen is a candidate who embodies the spirit of conservatism, standing up for life, freedom, law enforcement, veterans, and agriculture. From being a father of four, to preaching the Faith to his congregation in Seagrove, Allen knows what it means to fight for what he believes in.

Allen's platform is grounded in principles that resonate with the heart of every true conservative. Can we afford to let these values slip away? Or do we stand up, vote, and secure the future of our great state of North Carolina? The choice is clear. Stand with Allen Mashburn, a true defender of our freedoms.

Allen has my complete and total endorsement to succeed Mark Robinson as the next Lt. Governor of North Carolina.
